Welcome to Charleston

Getting Here:

The Charleston International Airport which is located just minutes away from our hotel offers over 110 flights per day, and non-stop service from many destinations throughout the US. These destinations include Atlanta GA, Boston MA, Charlotte NC, Chicago IL, Cincinnati OH, Detroit MI, Fort Worth TX, Houston TX, Memphis TN, Minneapolis MN, New York NY, LaGuardia Newark NJ, Orlando FL, Philadelphia PA, and Washington D.C. Dulles and Reagan. Airlines servicing the area include AirTran, American Eagle, Continental, Delta, Northwest, United, and US Airways.

Several interstates connect with I-26, which leads directly into Charleston. Charleston may also be reached via Highway 17, a scenic north-south route that runs along the coast. Attendees could travel by train using Amtrak to reach the area as well. The terminal is located near the Embassy Suites. The Intracoastal Waterway which passes through the Charleston Harbor offers another way to get to the Charleston area.

The Greater Charleston Area:

Charleston has been consistently named as one of the top ten travel destinations in North America by **Conde Nast**. In 2007 Charleston was honored with the #3 slot. Charleston has also been bestowed the lifetime achievement award of the "Most Mannerly City in America." **Southern Living** readers recognized Charleston as their "Favorite City" and for the "Best Shopping" in 2007. Charleston offers unmatched charm and sophistication. Premiere attractions, golf, plantations and gardens, historical sites, beautiful beaches and superior restaurants give this destination universal appeal.

The hotel offers transportation (a quick 10 minute trip) to the downtown area via our 11-passenger hotel shuttle, which brings guests to the U.S. Customs House located at the intersection of South Market Street and East Bay Street. Guests may stay in this area to dine and shop or elect to take a "DASH" trolley to the historic market or the aquarium and waterfront area. For group travel to the downtown area, we would be delighted to assist you with your off-site activities.

Walking tours, carriage tours and motorized tours are available and some focus on special interests such as African-American history, Jewish history, architecture and ghost stories. Boat tours and harbor tours are also available, along with nature tours by boat, foot or on horseback.

For the outdoor enthusiast, the Charleston area offers a variety of activities including running, biking, golfing, kayaking, fishing, boating or simply relaxing on one of our beautiful beaches. For more information about the Charleston area please visit the following websites:
